What could be

Future
Empowered community
Inspired people
United Palmerston Community
Designing the future

Next steps....

Grow Well Live Well began

Strong foundations, cultivating the conditions for community change

Action Groups

Thinking about big Change

Responding to the need to work together. The things that need to change are all connected. Connecting key people in government and community organisations

Listening to community

2015

Connecting people
Hearing community views on strengths, common beliefs and challenges for children and young people. Listening to people & hearing their story.

Time line journey of Grow Well Live Well

Community connections

Sharing with Community

Palmerston State of the Children Report released
Asking what mattered most

Community Plan

2016/17

What mattered most
Community providing direction to build on strengths. The first 3 of 9 priority areas

2018 Making change happen
Getting things done to address the priority areas. Influencing thinking. Bringing new perspectives & ideas.

Finding resources
